UNLESS YOU ANSWER YES TO ANY OF THESE QUESTIONS

- ✓ Would you like more \$\$ left over at the end of the month?
- ✓ Would you like to be able to buy a house, pay for your child's education or retire?
- ✓ Are you afraid to open your credit card bills?
- ✓ Do you have financial goals, but aren't sure how to make them happen?

What is it?

The Financial Mentoring Program is a new service to give people a hand in managing their money. You will **not** sit through a series of workshops. Instead, you'll work one-on-one with financial mentors who can help you figure out where you are, where you want to be and how to get there. **AND IT IS FREE!**

What will it cost?

Did we mention that this service is **FREE** - that means **NO** fees, **NO** small print. All it will cost you is some time and effort, but how much of that you put in is up to **YOU!**

How do I start?

Call (**NUMBER**) and leave your name, phone number, and the best time to reach you. Our Financial Mentor will call you back to give you more details and answer any of your questions about the program...So what do you have to lose besides your **MONEY HEADACHES?**
